Pamela Goodwin Is Betty Crocker Search Winner

Pamela S. Goodwin has been named Appomattox County High School's 1976 Betty Crocker Family Leader of Tomorrow. The student won the honor by scoring high in a written knowledge & aptitude examination administered to high school seniors here and throughout the country Dec. 2. The Family Leader will receive a certificate from General Mills, sponsor of the annual Betty Crocker Search for Leadership in Family Living and becomes eligible for state and national honors.

From the ranks of all school winners in the state, a State Family Leader of Tomorrow is selected through judging centered on test performance and receives a $1,500 college scholarship. The second-ranking student in the state will receive a $300 scholarship. Encyclopaedia Britannica Educational Corporation will present "The Annals of America," a 20-volume reference work, to the state winner's school.

Representing every state and the District of Columbia, the 51 Betty Crocker Family Leaders of Tomorrow, together with their faculty advisors, will gather in Washington, D.C., in April for an expense-paid educational tour of the capital city. During the tour, personal observations and interviews are conducted to select the All-American Family Leader of Tomorrow, who receives a $5,000 college scholarship. Second, third and fourth place national winners receive scholarships increased to $4,000, $3,000 and $2,000, respectively.

The test, personal observations and interviews are all prepared and conducted by Science Research Associates of Chicago.

Pamela is the daughter of Mr. and Mrs. Frazier Goodwin, of Appomattox.

25% to 30% Less Than 1975 Prices...Goodyear 'Polysteel' Radial

You've seen it advertised on TV

"Custom Polysteel' radials are built to help avoid hydroplaning – a loss of control that can occur when tires ride up on a slippery film of water instead of the road. Eight wide tread grooves channel the water through, instead of letting it build up. With 'Polysteel', you get gas-saving radial construction too – steel cord belts for handling stability, polyester cord body for ride. Buy now and save. Prices reduced in 1976 and slashed even further for this 3 day sale!
